United States District Judge
Southern District of New York

Re: United States v. Aleksei Kmit, Case No. 21 Cr. 92 (AJN)

Dear Judge Nathan:

The Court recently granted Aleksei Kmit's motion to modify his pretrial release to permit him to relocate to New York so that he can work for his stepfather, who owns a small transportation business in the area. Unfortunately, Mr. Kmit's employment authorization expired and, because of pandemic-related delays, it can take six months to renew. Mr. Kmit informs me that without a stream of income it will be difficult for him to remain in New York.

Accordingly, he requests permission to return to Idaho for pretrial supervision, where he would reside with his mother and sister. The Government, by AUSAs Jonathan Rebold and David Felton, consents. All other conditions are to remain in effect.

SO ORDERED.
